

Siempre Para Los Niños

Is Spanish for “Always for the Children.” *Our name* is our mission statement.

Founded & built in 2004 by **Central Community**, a non-denominational, Christian church in Riverside, CA

We began with a big dream, a small facility and an open door to children who had been orphaned, abandoned or caught up in family crisis.

God’s blessed Siempre. We want the blessing to continue for generations to come. We can make Siempre Strong with the support of people like you.

Siempre Strong!

Creating Hope

Every child has a unique story.

One unifying characteristic makes them family – they were each abandoned into our care.

Siempre’s kids know what it’s like to be hungry, cold & afraid, always. At Siempre they discover lives of promise and hope. A place where they’re safe, warm and given loving care. Always.

Siempre, for so many, is more than a refuge. It’s where they discover family, hope & home.

The Danger of Poverty

We rescue children from criminals who exploit them. Human Trafficking, Sexual Tourism, Domestic Servitude, Drug Trade, Begging... the list is long. The busiest border crossing in the world attracts people who seek out desperate kids. We rescue them.

We Can Make *Siempre Strong* Your Monthly Support of

- \$10-** Cares for 1 child for 1 day
- \$20-** School for a child
- \$40-** School & medical needs
- \$100-** Partner's in Parenting

Monthly Gifts of \$200- or more have kept *Siempre's Doors Open* and the dream of rescuing children alive. Pure and genuine religion in the sight of God the Father means caring for orphans and widows in their distress and refusing to let the world corrupt you.

James 1:27

Siempre is a wonderful place doing wonderful work. I've visited and can't wait to get back. God is good but they need our help. Consider donating to this cause. I am and encourage others to join me!

Siempre Para Los Niños needs your support. When you support Siempre on a monthly basis your giving insures the children will experience the very best of childhood; warm shelter, loving support staff, regular medical & dental care, tuition for school, tutors for homework, clean water and healthy food and so much more. Essentials that we often take for granted but for abandoned children – from newborns to teens – become elemental steps in their growth and future success.

When You Give...

- ***Children are Cared for*** by our staff of loving workers.
- ***Needs are Met*** – food bills, electric, water, medical, etc
- ***Doors are Opened*** – we strive to welcome every child in need.

You're Invited!

Groups from around the world visit Siempre and You're Invited! We host teams of up to 60 people.

Open 24/7/365, there's always work to do, projects to complete and most importantly, children to love. Don't hesitate to ask how you can get involved.

Abandoned kids are our priority

- Arriving with only what they wear
- Legal guardianship surrendered
- We take them as a sacred trust
- You can be the support they need
